

**Shenendehowa Summer School Nurse 2010**

**Mrs. Barbaro, RN**

**881 – 0310 EXT 61419 FAX: 881-0417**

**7:30 AM to 2:00 PM**

**HSE HEALTH OFFICE**

*Welcome Shenendehowa Summer School 2010.*

**1. IMMUNIZATIONS**

As the Summer School Nurse, NY State regulations require that I have up to date immunizations on all students attending Summer School.

If you attend Shenendehowa School already during the regular school year, your immunizations are on file here.

If you are coming to attend from out of the Shenendehowa District, you will be required to present up to date immunizations to me at Summer School Registration. I will be available.

Please plan to submit a copy of your immunizations to me at SS registration.

**MEDICATIONS IN SUMMER SCHOOL:**

If any medication will be required during summer school hours, either dispensed by the SS nurse or self-carry, a Shenendehowa Medication Form must be completed and submitted to the SS nurse by the first day of Summer School. Medication cannot be carried or dispensed without your physician's and parent signature on the form.

You may call 881-0310 Ext 61419 until June 23, 2010, the HSE Health Office. The Summer School Health Office will be located in the HSE Health Office. Summer School Nurse Phone: 881-0310 EXT 61419.

I will be on duty from 7:20am to 2pm. Should you need to see me or drop off medication, please stop in to see me during Summer School days. I am here to help our Summer School students achieve success.
